Halloween Show Slated

Again this year, a Halloween party will be held at McKinley School for children of this distrist, Secty. Merlin C. Donaldson of the Young Men's Christian Association announced here.

A two-hour program is being planned which will include band music, group singing, a motion picture comedy, quartet singing, and other entertainment.

Admission will be a can of food which can be put in the YMCA's Christmas baskets.

The Hi-Y Club will co-operate with the "Y" in staging the Oct. 31 show by handling loudspeaker and projection equipment.

The show will begin at 7 o'clock, Donaldson said.

W. Earl Whitaker, principal of Lincoln School, is chairman in charge of the Halloween program.

Stambaugh St. House Damaged by Blaze

A fire that destroyed part of the roof and the back end of a four-room house in the rear of 611 Stambaugh St. was extinguished by the Redwood City Fire Department shortly before 6 p.m. Tuesday.

The house was unoccupied at the time the fire started. Firemen were unable to determine whether the blaze started in the house or was the result of grass being burned nearby. The structure is owned by J. Harry Lown. Amount of damage has not been estimated.

'Blossoms in the Dust' Coming

Beautiful Greer Garson is starred with Walter Pidgeon in the technicolor picture "Blossoms In The Dust" opening Sunday at the Redwood Theater. Companion feature is "Las Vegas Nights" starring Tommy Dorsey and his orchestra.

Rezoning Hearings Set for October 21

Hearings on proposals to rezone property in Menlo Oaks and Sharp Park districts were set for Oct. 21 by the San Mateo County Board of Supervisors at its adjourned meeting Tuesday afternoon.

At the same session, the board filed without action the claim of Rebecca Crews for $75,000 damages for the death of her son, L. C. Crews, in a county jail fire July 15.

Other business included the adoption of a resolution annexing four parcels of land at the southwest corner of Lemon and Santa Cruz Aves. to the Menlo Park Sanitary District, as petitioned by the others.

Cigars, Cigarets Stolen from Market

A burglar who apparently was set on laying up a store of smoking material for the long winter months ahead looted Magnani's Market at El Camino Real and Rogers St. of a quantity of cigarets and cigars early Tuesday.

Police Officer James L. Flynn, making his rounds at 4 a.m., discovered a rear window of the market had been broken. An investigation revealed the place had been entered by a thief who took eight boxes of cigars and eight cartons of cigarets.

The boll weevil of the Southern United States never has been brought completely under control.

Cotton production in Mexico this year is expected to be appreciably above average, the department of commerce reported.

Approximately $250,000 in Indian treaty money is distributed among Canada's Indians each year.

Civilian consumption of soap increased during the first half of this year, the department of commerce reported.

Here's a Preview of 1942 Ford

DEARBORN, Mich.—A distinctive frontal design sets the style for the new Ford passenger car line for 1942, introduced recently at a preview for the nation's automobile editors. The new Fords will be shown to the public soon in all Ford dealers' showrooms. A rustless steel radiator grille blends gracefully with an entirely new front contour which features a new arrangement of headlights and parking lamps. Offered in three lines—the Super DeLuxe, DeLuxe and Special, the 1942 Ford has a distinctive trim for each series of cars. Engineering improvements emphasize comfort and safety. The Super DeLuxe and DeLuxe lines are offered with either the famous V-8 or the new Ford "6" engines.

MENLO PARK NEWS

John Lynch and wife visited friends over the weekend. Lynch is a scion of an old Menlo Park family. He is an executive of a large commercial firm in San Francisco.

Charles Graham of Siskiyou County was here yesterday looking for a location for a creamery. He was shown the Kuck property and may establish a business there.

Railroad architects were here Wednesday looking over the old railroad station preparatory to erecting a modern one. The old structure was built in 1871.

Three parcels of property in the Flood subdivision were sold this week to eastern buyers who are to erect substantial homes there next Spring.

Attendance at St. Joseph's parochial school is so large that no more pupils can be accommodated. An addition to the building is contemplated.

Local real estate operators report brisk business in Menlo Park property. Many sales were made this week to San Francisco buyers. Many residents are purchasing homes in Stanford Park where prices are right and taxes are low.

The Catholic ladies of the Ravenswood District are holding card parties every Friday night in the Hall of the Nativity for the benefit of the church in that locality. Good awards were given winners of the game.

R.C. Water Rates Below U.S. Average

That Redwood City's water charges amount to 90 cents per user monthly for 3000 gallons, while an average of $1.06 is charged for similar service by 286 American cities, is disclosed in a survey of water charges made public by Barcus, Kindred & Co., Chicago specialists in municipal finance. The survey computes all charges on a monthly basis and translates cubic feet into gallons to make comparisons easy.

Redwood City's charge for 5000 gallons is $1.50 monthly, compared with an average of $1.54 for all cities studied, the survey shows. Its minimum monthly charge is 90 cents as against an 84-cent median rate. Redwood City has 4300 water users, or one to every 3.7 people. The composite average of all cities is 4.4.

With the growing tendency of municipalities to finance their water works by issuing revenue bonds payable out of earnings, the factor of rates and the number of users are increasingly important, particularly where the plant is new, the survey says.

City Manager C. L. Dimmitt said the rates listed in Redwood City are the lowest available and take into consideration a 10 per cent discount granted to users who pay bills within 15 days of their presentations. He said more than 85 per cent of the water users take advantage of the discount.

Boys Already On the Site

Construction of buildings on the new Log Cabin Ranch near Memorial Park that will be used jointly by the probation departments of San Mateo and San Francisco Counties will be started within a few weeks, according to Francis J. Robinson, San Mateo County probation officer.

Robinson said plans for the construction now are in the hands of architects and buildings would be started as soon as the architects finish their work.

Several boys who have been assigned to the camp by San Francisco County already are on the ground and aiding in preparation for establishment of the unit. These boys are residing at the old SRA camp near Memorial Park until living quarters at the ranch are completed.

Robinson said no San Mateo County boys have been assigned to the camp yet and would not be until the construction had been completed.

Establishment of the camp in San Mateo County provoked a strong controversy this Summer before this county and San Francisco authorities could agree on terms under which the San Mateo County probation office could share the facilities of the camp and assign selected boys to use it.

Fort Richardson

Ray Spangler, Bob Clarkson in Alaska

Robert L. (Bob) Clarkson, private first class, son of Mr. and Mrs. George Clarkson Sr. of 421 Harrison Ave., and Sergt. Ray Spangler, member of the Tribune staff on leave of absence, have arrived in Alaska and are stationed at Headquarters Battery, 250th Coast Artillery, Fort Richardson, Anchorage.

The pair, who were transferred from Camp McQuaide, had an uneventful trip, according to letters received here, except for a stop at Kodiak Island, and a storm that buckled a plate on the transport and had the soldiers bailing water for a few hours.

Movies were shown on board each night, they reported. First snow at Fort Richardson was expected any day, but the soldiers report they are ready for it. They are living in new barracks and were to get new uniforms.

Sergeant Spangler joined the army last October and Private Clarkson entered in January.

Another Peninsulan named to the board is J. W. Stephens of Palo Alto.
